Authentype Studio – Free Commercial License (Limited Use)

Overview

This license grants free limited commercial usage of the font for specific purposes — print and social media — under the terms described below.

Allowed Uses

- Commercial print materials, such as posters, flyers, business cards, packaging mockups, brochures, and merchandise prototypes.
- Social media graphics, posts, and advertisements (organic or paid) for commercial or personal brands.
- Personal use for non-commercial projects is also permitted.

Prohibited Uses

- Any use outside of print or social media, including but not limited to web embedding, apps, games, or software.
- Use in commercial video production (TV, film, streaming) unless separately licensed.
- Selling, redistributing, or sharing the font file in any form (including uploading to marketplaces or free font websites).
- Modifying the font and distributing it as a new font product.
