Nocturne Black — Demo License

Personal Use Only

Thank you for trying **Nocturne Black** from Rillatype Studio. This demo font is provided strictly for **evaluation and non-commercial personal use**. Any commercial or production use requires a paid license.

ALLOWED (PERSONAL USE)

- Testing layouts, mockups, and previews for personal projects
- Creating non-commercial personal graphics (no monetization)
- Sharing non-commercial previews on social media with credit to Rillatype Studio

NOT ALLOWED WITHOUT A LICENSE

- Any commercial/monetized use (branding, packaging, client work, paid ads)
- Use in products for sale (templates, merch, digital assets, etc.)
- Redistributing, re-uploading, sharing, or reselling the font file
- Modifying the font to remove “Demo” or creating derivative fonts
- Embedding the font for web/app/software distribution
- Using the font for training datasets or AI models

DEMO LIMITATIONS

This demo may include a limited character set, reduced OpenType features, and “Demo” naming. It is intended for preview only — not for long-form typesetting or production deliverables.
